Questioned about the Oregon Short Line, he said that of the five sets of scales in Utah four were perfect. He condemned one for inaccuracy. All had concrete and masonry foundations. had conercte and masonry foundations. All but two were drained, and these two, which were in Salt bake, were pumped. Inspections were made every thirty days and tests every three months. In the north yard, Salt Lake, there was so little variation that no adjustment had to be made only once in three years. He declared the Oregon Short Line was spending \$30,000 for drainage and similar improvements on scales in Salt Lake, that all save two sets had been changed in the last two years.

He considered it an advantage to get destination weights. Some times his company asked to have the coal reweighed at destination and it was found short. A claim would then be put in. It would be two or three days before a car would be reweighed.

"Have you any reason to believe that the railroads desired to embarrass or inconvenience you by delays?" he was asked.

"No, I can't say to that," he answered.

"Under cross-examination the witness said it was necessary to take a car out of the coal yard to be reweighed.

A. P. Apperson, division superintendent, Denver & Rio Grande, declared in favor of mine weight. He said the men who produced the coal had proof of weight, that in most cases they weighed the cars light and thereby protected themselves and the railroads. TO REGISTER VOTERS

Committees of Weber County After Voters.

OGDEN, Oct. 28 .- The Republican and Democratic headquarters were malest spots in Ogden today, due to the fact that tomorrow brings the final campaign for registration, and, according to the combined efforts of the two chairen, there are no less than 1500 voters norrow or Wednesday in order to ca ote for president of the United Stat and the other candidates on November

In both camps elaborate preparation lave been made for registering the tardy voters. At the Progressive hendquarters the situation is vastly different. Acting on the principle that the Bull Moose party is one of the people, not of the political esses, no effort will be made to boos the Roosevelt following by transporting able-bodied voters to registration station or polling places. According to Chair man John Grlx of the county committee vehicles will be provided only for those who are physically unable to walk to the registration stations, but this applies that of the progressive.

Progressive. Secretary A. W. Larson of the Reg Secretary A. W. Larson of the Repullican campaign committee says there at 1000 Taft supporters who must regist throughout the county during the next two days. Chairman S. S. Smith of the Democrats places his estimate of no registered Wilson supporters at 750. At the Progressives, Chairman Grly delares that his party has made no car vass and does not know how many Est Moosers are unregistered, but he believing the Republication of the full strength of the party. Even worker has received final instructions for the registration days and the campaig committee.
